Clause of Participation

***Save-A-Youth MOVEMENT** is a spiritual content, value, purpose and movement spiritually operated naturally by the person's grace of the Lord.*

*The Person must undergo training to **Spiritually Operate Naturally** as a **son**.*

The Crucified Leadership training Conference (CLtC).

It is an interdenominational training programme of peace to achieve a one-one relationship with the Creator, manifesting and living by the revealed Word from God. She builds and inspires the individual to his or her divine concept, value and purpose of life being fulfilled as a creature on planet earth. Discovering, discerning and manifesting the true divine nature, activities and meaningful expectations in life. This is achieved by being sensitive and dependent to the Shepherd's voice spiritually, and to manifest the revealed Word physically by total obedience, thereby taking personal responsibility of life as a leader to spiritually and physically affect lives in leadership.

*In other words, she builds the human spirit to fulfill "man shall live by every word that proceedeth out from the **mouth of God**". (Matthew 4:4). This results to a divine state and attitude of "I am crucified with Christ; nevertheless I live; yet not I, but Christ liveth in me; and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me". (Galatians 2:20)*

By revelations and research, many especially the youths easily hear the stranger's voice to live another life; I call the borrowed life with unbalanced excitements and troubles. This

movement is interdenominational with the human SOUL as the divine focus powered by our VISION-STATEMENTS.

Our VISION-STATEMENTS divinely refers:

- Our Purpose (What we intend to do).

Living above waste and nourishing the soul to end up peacefully in eternity. Taking personal responsibility of destiny in life, restoring divine worship in fellowship and the benefits thereby. (I John 2: 27).

- Our Faith (What we believe).

Nothing happens without the divine Voice-Word, to guide into all truth, showing things to come and glorifying Jesus. (John 5:30).

- Our Value (What we practice).

Living by the revealed Word from God. (Matthew 4:4).

- Our Salvation

Making sure you are Christ-like. (Galatians 2:20).

- Our Mandate

Save –a –youth by discipleship-making.

- Our Target

Our divine target is to the individual.

A personal development of the human spirit (as an individual) to hear, sensitive, dependent and totally obedient to the voice of the Lord.

To make the individual the divine leader by creation and to network in life by leadership beyond religion, denomination, ignorance, tradition, custom with encouraging suggestions and deceitful facts.

To build the individuals authority on the WORD (Christ) beyond the confusion, doubt and fear in the world.

To position the individual as a friend of God in divine relationship. To speak with God as a man speaks to a friend with ease, speed and comfort.

To hold a Training Conference all the way, a discipleship cell and operate the CrucifiedWay Tv and Radio

A training conference where everyone is inspired, motivated and empowered to manifest his or her God's revealed or given ordained ministry and maximizing potentials freely, and where all is ONE, promoting and perfecting the oneness principle of life in communion.

- Our Expectation

Discover "whom" you are, discern "what" you are, manifest "why" you are and GLORIFY JESUS.

*It is God's expectation that by this training to live by the Word that proceeds from His mouth starts with you as an individual. This then proceeds to a-youth in a discipleship design and flow, and then to another a-youth and to another a-youth until the youths in the Land are introduced to this attitude and behaviour to live by the revealed Word from God. This discipleship formula is "**made to make**". In other words, taught to teach, as a disciple-maker.*

That means anyone in training is mandated by God to teach others what he or she has learnt. In clear words, you are under divine mandate to start a discipleship cell as a disciple-maker.

*A **discipleship cell** is any group of willing individuals as defined below, who are committed to meet at designated points to achieve the goals of the training conference by the study manuals or video presentation.*

Any willing one could consider any of the discipleship cells below.

One-Discipleship. *This is the best effective way of making disciples. The person could be a brother or sister or a close relation, friend or a friend's friend, or a convert, or even someone who is not yet saved, but willing and obedient to be taught. It can also be someone assigned to you.*

Unit Discipleship. *This is a group from three to twelve, where members can easily interact for effective learning. Again within this cell is the one-one discipleship of great focus and principle.*

Extended Discipleship. *In this case, we counsel that the disciple-maker splits the group into unit groups under a disciple that is fit and able to disciple others. Such new disciple must continue under the original disciple-maker.*

Watch this:

Please CONTINUE as a function the a-youth principle of one-one cell discipleship, even when it expands to a unit or extended cells. Also PROTECT the discipleship principle of multiplication and dominion.

EVERY CELL IS CALLED A "SOULSHIP"

The basic principle as a way of life of everyone in the (say-M) will be closely monitored.

- *Our vision-statements remain the global standard for the (SaY-M). This will by God's grace not be compromised in Jesus Name. This forms the core value of the ARMY.*
- *There shall be a training video or manual (**VoiceWord**) of divine strategy to be sensitive to the voice that will be used. Every divine strategy in your custody is to first develop self by it and proceed to save-a-youth. The emphasis is on a-youth. Hence the one-one discipleship focus.*
- *The disciple-maker begins to diligently and prayerfully reach out to youths with whom he or she would form a one or unit group discipleship cell. This is where true discipleship takes place in an organized meeting.*
- *The individual takes the responsibility of a disciple-maker, and accountable to God, CLtC, and those who will submit themselves under him or her for discipleship.*
- *There must be physical and spiritual evidence of a-youth saved and made by the **CLtC** vision by each training strategy. This applies to the disciple maker also.*
- *Your compassion will be measured by the a-youth saved at the cell stage and the effects and spread made by this.*
- *The coordinator shall keep in touch with the National headquarters of CLtC of all activities very regularly.*

- *The above is very crucial to recognise one as a participant of this ARMY.*
- *Inactive members will be de-listed with notice.*
- *There is a constitution and a camp of the (say-M). This will be made known later as willingness and obedience meets accordingly to Glorify JESUS.*
- *All SaY-M applications will be considered having proven evidence of a cell discipleship in operation.*
- *Participants' application is a recommendation of the coordinator in the zone and must have a record of a functioning cell. But if otherwise, it will be processed by the director of the CLtC.*
- ***Participants approval** is based on the individual having discovered and discerned basically “who” he or she is by creation and “why” the reason for the “who”. The individual should be ready to willingly and obediently manifest or apply the “what” to be doing as activities in life. This is a divine, “not negotiable qualification” for approval.*

Please remember, that you are welcome to an atmosphere of the revealed Word of creation necessary to a fulfilled life of peace and bliss, over the influence of life and the environment.

Dearly Beloved, please don't sit down and see the enemy by his influences and manipulations rule, control and destroy our generation to peacelessness of all sorts, thereby hindering them from serving and worshipping the Lord in freedom and peace. For as we live by the revealed Word from God we enjoy the PEACE of our creation and match on to the eternal rest our ultimate goal.

Can God use you to SAVE a soul in the Land? Decide and move now and do it to HIS glory.

I therefore counsel that as you train with the CLtC and become a registered participant of the ARMY (SaY-M), please get a Bible discipleship study group or Church and cease not to worship as led by the Holy Spirit, to perfecting the soul in divine expectations.
